## *From the President's Pen*

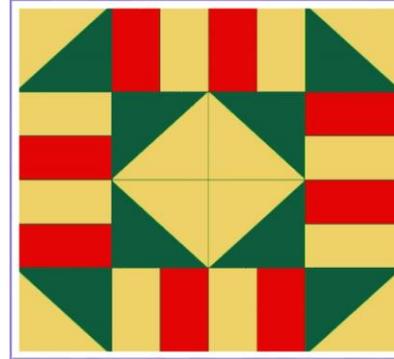

I love to quilt! I love all of it, even binding. I have T-shirts that tout my love of quilting. All my family and friends know I love to quilt. I have a wonderful sewing room that belongs to me alone. I have lots of fabric that is organized by color. There are ample sewing supplies to last a lifetime. I have a bookshelf full of quilt books and a drawer full of patterns. My cutting table and design wall are awesome. There is a wonderful sewing machine and good lighting just waiting for me. When I sew, I feel good, creative, energized, constructive and I love it.

So why do I spend so many days, NOT quilting? I'm afraid it's that online addiction. No more! I've removed the games and set the timer for 15 minutes per day! I want to be like the two ladies that I overheard talking at the Community North Charity Quilt sew-in last Monday who sew every day! I'm starting now! Happy quilting!

A special thank you goes out to Debbie Cobb for sharing her skills with us last month with the Disappearing 9-patch program!

A reminder that the **ALTERNATE** location for the 14 March Meeting will be the Community Health Pavilion, Noblesville, 9669 E. 146th Street (Cumberland and 146th, SW Corner) in the Large Community Room. It will start promptly at 9:30. Bring a lunch if you will be staying for the afternoon sew-in and "Jelly Roll Race".

## **MARCH 14th Mudsock Guild Meeting (9:30 – 11:30+)**

Our March 14th Mudsock meeting will be held at the Community Health Pavilion, Noblesville (9669 E. 146th Street, 146 & Cumberland Road) at 9:30 a.m.

For our program this month Joanne Fishburn will be explaining pre-cuts - what they are, pattern ideas, sources and advantages to using them. She will have samples and resources. If you have a favorite resource - let us know. If you have made something with a jelly roll or other pre-cut, bring it for Show and Tell.

Plan to bring a lunch (or you can go out) because after lunch we will be doing a Jelly Roll Race 1600. It isn't a real race. We have the room all afternoon. If you don't want to do the Jelly Roll quilt, bring your own project to work on. Bring your machine and supplies. There are lots of electrical outlets and this is a great facility.

We will not be going to the Fishers Library.

## **Mudsock Guild Charity Projects**

### **Charity Pillowcases Update**

On February 10th I attended the Nora Elementary School's tutor program Valentine's Party. The children were able to choose from over 50 pillowcases. They were so excited. They loved the bright colors and fun designs. I received a thank you card which I will bring to our meeting. They were very much appreciated. Thank you to everyone.

### **149 Keepsakes Donated to the Riley Children's Hospital!**

On Friday, February 12th we donated an astounding 149 keepsake items to Riley Children's Hospital Cheer Guild! The breakdown of the donations are as follows: 84 quilts and crocheted blankets; 55 pillowcases; 7 knitted hats; and 3 child activity books.

Each month I am overwhelmed with the donations and support you ladies continue to give this charity which is now in its 4th year. The quilts and other donations we've given will be considered "keepsake items" and will be presented with discernment to families in need. From my experience, those items are among the most precious that a family going through tragedy will receive. The Mudsock Quilters Guild continues to set the bar high and reach it. Take a look at these numbers:

February 2013 (first year for the charity): 21 quilts donated.

February 2014: 43 quilts/crocheted blankets donated.

February 2015: 91 quilts/crocheted blankets, 11 pillowcases donated.

February 2016: 84 quilts/crocheted blankets, 55 pillowcases, 7 hats, 3 activity books.

The talent this quilt guild has is unmatched. As I was washing everything, I loved pulling out quilt after quilt, pillowcase after pillowcase, to see the bright cheerful fabrics and to imagine the smiles and joy on the faces of the children when they receive such treasures. Megan Ali, the child life specialist for the Riley pediatric urology unit, will be thrilled to see those pillowcases. From frogs to soccer balls to Colts to butterflies – they are sure to put a frightened child at ease in the operating room. And the quilts – absolutely beautiful with a perfect balance between boy and girl quilts. I must admit I snuggled with the crocheted afghans for a bit because they were so soft and warm. The activity books and hats were new items this year and will be much appreciated by the children.

Again, thank you for all your contributions and support. Listed below, as a reminder, are the special requirements for the quilts and blankets. If you'd like to give in other ways than making a quilt, I will include those ways below as well. Thank you from the bottom of my heart!

**Requirements of the quilts/blankets:**

Size: suggested sizes are 45X60 or 72X80 (I realize these are large), but smaller will be accepted and appreciated.

Yarn: for knitted/crocheted blankets, yarn must be new.

Other: NO TACKING! There is to be no hand sewing whatsoever as this can get caught on IV tubing and other equipment.

100% cotton batting and 100% cotton fabrics are required. Minky, fleece, flannel are all acceptable and encouraged – the kiddos love the soft feel and warmth of these fabrics.

**Pillowcases:**

The “hot dog pillowcase” is addictive to make! It also hides all fabric raw edges which means no unraveled fabrics to catch little fingers. Here's a link to make that:

<http://sewhooked.com/2010/01/29/sewing-hot-dog-a-pillowcase/>

Use fun, bright, festive fabrics for the kids to rest their weary heads on.

**Other ways to donate without making a quilt:**

Shout Color Catchers: I wash all of the quilts in fragrance-free detergent before bringing them to Riley each year. I go through boxes of color catchers and can always use donations of them. A big thank you goes out to the person who donated the box this year!

Cotton batting: Most of us use our stash to make the quilts we donate but batting can be pricey. Any batting donations would be greatly appreciated. Must be 100% cotton.

Continued support: Encouragement, prayers and good wishes sustain us all!

**Community North Quilting Bee:**

On February 22nd sixteen members ironed, cut and sewed fabric; some came to donate fabric or just to help other members. Four new quilts were donated for a total of twelve. Our next sew-in will be March 28th at the Community Health Pavilion, 13121 Olio Road, Fishers in the Community Room from 9:30 a.m. to 12:30 p.m.

Community North Hospital would like to give a quilt to every patient who is in the hospital on Christmas. This could be 75 to 100 patients. Each month at our Mudsock Guild meeting there will be a bag to donate your scraps. We will be collecting 2 1/2 inch strips for our first quilts. If you have any

coordinating strips to donate, please bring them to our March 14th meeting. So check out your stash and please contribute to the "Community Bee."

See our sign-up sheet at the membership table to join our new "Bee". Community North Hospital Auxiliary has awarded us a grant to purchase batting and fabric for quilt backs (we are sewing quilt tops from donated fabrics). So save your receipts, circle the items and put your name and address on the back. Diane Peterson will be collecting this documentation when you submit your donated quilt. Reimbursement will be sent directly to you from the Hospital Auxiliary. We are truly blessed to have this assistance and encouragement from the hospital.

Check us out on Facebook "Community North Quilting Bee". Pictures of completed quilts and meeting notices are posted. You can also request to become a member of the group.
