

MUDSOCK MESSENGER

From the President's Pen

Patti Page Had It Right

I will be back in Massachusetts for most of June. I will miss our June meeting but you are in good hands with Vice President Pat Adams at the helm.

I am looking forward to the vacation part of this trip and accepting the clean up and yard work part as necessary. While we try to sell our house we are able to offer it as a summer vacation house during July and August. That is where the cleaning comes in! I know I will find sand on the windowsills and cobwebs, lots of cobwebs to be removed. Outside we are lucky that the grass doesn't grow too much in the sand, but mowing will need to be done. And then there is the weeding!

My son and family will come out for a week in mid-June. I'm excited to see how the Indiana girls react to the beach. It has been two years since their last visit. I hope the weather will be warm enough for swimming. I do love Cape Cod!

I also plan to visit with my quilting friends and, of course, I will take some projects to work on. I have been looking at some of my UFO's and getting inspired to finish them up to put into our quilt show. I love the planning of projects, picking the fabrics – I think I've said that before. But sometimes I lose interest about the time the border needs to go on! I'm already working on a table runner from a class I took years ago. All it needs is a bit of applique and then I can quilt it and bind it and it will be done! I am also going to bind the wild quilt I just had quilted by my friend in Vermont – I can already see it hanging in our show. I have packed up the mystery quilt I am working on and will do part two while at the Cape. It too could be a fun piece to enter in our show but I haven't figured out what it is going to look like!

I hope you are all working on projects to display at the show. We have a BIG hall to fill up! I'm off to pack my swimsuit and beach towel – see you in July!

—MAKE THIS NOTE ON ALL YOUR CALENDARS!!! I will be waiting for all of you to visit me at the barn on the 1st and 3rd Thursday of each month!!! It's hard to tell who has the most fun at these sessions!

Editor's Note

Greetings MQG members!

I am your new newsletter editor and pleased to be able to take on this role for you. First off, I want to apologize for the late arrival of the newsletter this month and do not anticipate this happening again.

I only check the Mudssock email account once a week. However, if anyone has pertinent information (they want shared immediately), feel free to email me at hjgarber@iuk.edu or phone me at 317-379-3703.

I look forward to hearing from each of you! Thanks!

Dallas Reed Presentation

On May 16th, Common Threads Quilt Guild invited us to join them in seeing Dallas Reed. Several members were in attendance and it was definitely an entertaining experience!

Dallas shared MANY personal quilts/projects along with anecdotes that made it evident why he is a sought-after lecturer. His quilts showed a variety of quilting, and piecing techniques, as well as his creativeness in fabric selection.

Thanks to all who attended!
