## *From the President's Pen*

I hope you are all enjoying your current project(s)!

When we heard that the Always In Stitches Craft sale was being discontinued, Diane Peterson wanted to continue and revise that fund raiser and make it even better. She certainly made that happen. At the 1<sup>st</sup> Annual Mudsock Quilt Guild "Tag Sale", held last month, there were quilts on display, balloons like you see at the Vera Bradley sale, wonderful gift baskets, baked goods and music. It was a wonderful success and a fun bonding experience for all involved.

All that hard work paid off and raised \$1347.10. That was in addition to the \$2094.90 that was raised at our monthly "Tag Sale" table items, at the meetings since June 2015. I want to thank everyone that signed up and helped, those that showed up and stayed to help, those who donated items and/or made purchases throughout the year and/or at the sale, those who helped organize and price items, those who stored items, those who helped get the word out and everyone who helped in any way to make it a success. A very special thank you goes to Diane for pulling it all together. Great Job!!

Have you used the Amazon Smile Account to make purchases yet? Our guild gets a small percentage of every purchase made using the Amazon Smile Account. It's easy to use. I clicked on the link that is on our website and followed the instructions. I like to use Amazon for bulky paper purchases, among other items, since they are priced right and delivered right to my door.

Happy quilting!

## Other Quilting Events

Mar 4-Jan 8, 2017 The Indianapolis Museum of Art presents ***A Joy Forever: Marie Webster Quilts*** as part of Indiana's Bicentennial Celebration. This exhibition celebrates the legacy of Marie Daugherty Webster (1859-1956), who is considered one of the leading designers in the history of early 20<sup>th</sup>-century quilt making. Born and raised in Indiana, Webster designed and made her first appliquéd quilt in 1909. In the following years, her quilts were featured in *Ladies' Home Journal*, which brought her international fame and recognition. The exhibition consists of 25 appliquéd quilts designed and made by Marie Webster, which date from 1909-1930, 13 patterns, and original pages from *Ladies' Home Journal*. Marie Daugherty Webster's scrapbook is also display.

May 13-Jul 9 **Form, Not Function: Quilt Art at the Carnegie** explores the world of contemporary art quilts. This annual, juried exhibit draws works of art by artists across the United States and celebrates innovation and creative thought in the increasingly popular medium of art quilts. Over the past thirteen years, Form, Not Function has gained recognition for this evolving art form, and the Carnegie Center is proud to continue serving as a known venue for the exhibition of contemporary art quilts.

This is a great annual exhibit fairly close by, 2 hrs. south of I65 to the northern edge of the Ohio River above Louisville, KY. I have seen the show several times, and it is impressive.
