## From the President's Sewing Desk

I love this time of year. The trees go from grey sticks to lush green and flowers pop up everywhere. I bought some hanging baskets and had instant color dressing up my yard. It inspired me to check my stash for bright florals. I actually had quite a few. I started dreaming up new projects – but have to finish my many works of art in progress.

Speaking of brightness; I encourage everyone to check out our various bees. We have some bright and encouraging women in our bees. They offer helpful hints, suggestions and inspiration. Our bees are also a fun time to socialize with others who share your interests. There have been times when I have arrived late or only been able to stay a short while. That time has always been a blessing to me.

Our bees meet at a variety of times, so check them out. Brighten your day!

Still working on my UFO's!  
Happy Sewing,

**Val Angove**

## **MAY 8TH--Mudsock Quilters Guild Meeting (9:30 – 11:30+)**

Our next meeting is May 8 at our usual meeting place at Fishers United Methodist Church. We will have a presentation and demonstration on how to make T-shirt quilts. Our presenter will be Marlene Sowatzke. She has prepared several samples and handouts on how to do your own T-shirt quilt. We will plan to do the demonstration starting at 9:30 am, so those that have to leave early do not miss the presentation. Looking forward to seeing you then!
