This is an original pattern. Please abide by the [Terms and Conditions of use!](#) :o)

This makes a 10" block !

** Preparing the Pieces and Sewing the Block **

Start by marking and cutting the Color 1 $2\text{-}\frac{7}{8}$ " x $11\text{-}\frac{1}{2}$ " strip into four $2\text{-}\frac{7}{8}$ " squares. Stack these and cut them once on the diagonal to make eight half square triangles...

Now cut the Color 2 $2\text{-}\frac{1}{2}$ " x 10" strip into $2\text{-}\frac{1}{2}$ " squares...

Next cut the Color 3 $1\text{-}\frac{1}{2}$ " x 9" strip into two $1\text{-}\frac{1}{2}$ " x $4\text{-}\frac{1}{2}$ " rectangles. Cut the Color 3 $1\text{-}\frac{1}{2}$ " x 13" strip into two $1\text{-}\frac{1}{2}$ " x $6\text{-}\frac{1}{2}$ " rectangles...

Then cut the Color 4 $4\text{-}\frac{7}{8}$ " x $9\text{-}\frac{3}{4}$ " strip into two $4\text{-}\frac{7}{8}$ " squares. Stack these and cut once on the diagonal to make four half square triangles...

Sew the shorter Color 3 rectangles right sides together to the top and bottom of the Color 5 $4\text{-}\frac{1}{2}$ " square in a scant $\frac{1}{4}$ " seam. (Shown staggered here, but yours need to be aligned with the edges!) Press towards rectangles. Sew the longer Color 3 strips to the sides, and again press to sides...

Sew the Color 1 half square triangles to the left and right of the Color 2 squares. Use that same scant $\frac{1}{4}$ " seam allowance, and press to darker side. Make four units like this...on to [Page 2!](#)
