Please bring instruction manual to class if available.

Basic:

Fabric:

The goal in class is to make a few scrappy Meems quilt blocks. Fabric yardage is somewhat open ended as some will sew faster than others. Feel free to bring more...never bring less. ☺

A **BONUS** table runner pattern will be given at the time of the workshop. I am a firm believer in trying out a pattern and learning the construction tips while making a few blocks in the workshop. These blocks can be used in the bonus pattern or the start of a full size quilt. So feel free to truly bring scraps vs. cutting into yardage for these workshop learning blocks.

1. (12-15) 1.5” x 10” strips. This 10” is a MINIMUM. Strips can be longer no need to cut them down prior to class. Make sure you have a good variety of colors, value and prints. No traditional backgrounds needed.
2. (7-10) 2.5” x 15” strips. This 15” is a MINIMUM. Strips can be longer, no need to cut them down prior to class. Make sure you have a good variety of colors, value and prints. DO NOT REPEAT FABRICS USED IN #1.
3. (3-4) 2.5” x WOF strips that are neutral in color. Lights: white, off white, cream, taupe, light grey, small prints will work but shouldn’t be too much as it will compete with the explosion of color that is the rest of the block. You truly want this fabric to be a background.

Most Important Supply: A Sense of Humor and a smiling face. We are going to spend some time sewing (and possibly swapping) fabric with a bunch of new friends. The ability to listen, laugh and learn will make it a success for all who walk thru the door!

NOTE: Half Scrap Quilts – the book in which this pattern is found is NOT required for workshop participation. I will have handouts covering the block(s) we will work on in the workshop. If you wish to buy a book at the workshop it will be available at a special price for attendees.
