

Rail Fence Block

This traditional block appears in the book FreeSpirit Block Party as “Derailed” where it is given a modern twist by Melissa Peda and Jane Sassaman.

For our block exchange, please select 3 fabrics from your stash (less than 1 fat quarter of each):

Cream or Cream on Cream
Black Background with small print
Floral

Cut fabric into 2.5” strips (good use for leftover jelly roll strips!)

Sew together in order above (Cream, Black, Floral) – I used 2 strips from each fat quarter
Sub-cut into 6.5” blocks

Arrange as pictured below:

Sew together careful to match seams.

Finished block is 12.5” by 12.5”
