Hello dear quilters!

I bet many of you remember those lyrics from *California Dreamin'* famously sung by the Mamas and the Papas. I love that song despite the winter melancholy it evokes, and for me, February has often been the most melancholy month of all. As far as I'm concerned, we can just skip to March. However, on this winter's day I feel content after spending the morning at a virtual sew-in with other Mudsockers. I accomplished something, I laughed, I felt connected to the outside world and I have more things to look forward to in February. I might even put on real pants and a full complement of undergarments!

We will start off the month with our first “Sip and Sew” on February 4<sup>th</sup> from 7-9 pm. Yes, I said pm-as in after dinner but before breakfast. Come in your comfy clothes, bring an adult beverage if you choose, chat and sew.

Another event I'm excited about is the “Steals 'N Deals” garage sale on February 11,12 and 13, from 10 am-2 pm. Remember those quilty items we used to rummage through at our monthly meetings? Well, they haven't seen the light of day since lock-down; but now, thanks to Melissa Schulman's hard work, we can rummage through them once again in her garage! Bargains, bargains, bargains!

Lastly, though you may not be aware of this, as guild president I also look forward to e-mail from quilters seeking advice. While I am certainly no expert, I try to inspire new quilters with kind, encouraging words. Here's one such letter I'd like to share with you.

*Dear Ann,*

*I want to quilt a lot more than I do but I can't get organized enough to get much done. My quilting space is little more than a kitchen table. I have tons of fabric, yet I am always buying more because the fabric I bought earlier is still wadded up in the bag I brought it home in-wherever that is. I love shopping*

for fat quarters because they look so cute and tidy when cleverly displayed in old steamer trunks and vintage hatboxes. I want my fat quarters to be cleverly displayed, too, but there's no way I can stuff a steamer trunk into my tiny pantry. So, I took all my fat quarters and lined them up in rainbow order inside the crisper drawer of my refrigerator. Pros: They are handy to my kitchen/cutting table and look colorful next to the marinara sauce I should have tossed three weeks ago. Cons: They are a tad damp and smell of garlic. Also, I haven't been able to fit a fresh vegetable in my fridge for months. I have to admit I am getting tired of eating canned peas every night. Can you help me?

Signed,  
Frustrated in Fishers

Dear Frustrated,

No, of course I can't help you! Your problem is way above my pay grade, for heaven's sake. You need to get this whole unseemly situation under control ASAP!

Wait a minute, I do have one suggestion for you. On Monday, February 8, Lilo Bowman will be the speaker at The Mudsock Quilters Guild. Her new book is called [A Visual Guide to Creating an Inspiring & Organized Studio Without Breaking the Bank](#). Lilo will have fantastic ideas to whip your little quilting kitchen into shape. Now go get your batting out of the cat food bag, or the dishwasher, or wherever you stashed it and register for the meeting by clicking this link. P.S. I'm blocking your e-mail.

### Call for Help:

We are looking for a member who is **well-versed in the use of Zoom** and its various features. They would assist during meetings to make sure the technical aspect goes smoothly. If individual members need assistance, it would be great if this person could also assist. Please contact Ann Riccardelli at [aarich58@yahoo.com](mailto:aarich58@yahoo.com) or Susan Juffer [sejuffer@gmail.com](mailto:sejuffer@gmail.com) if you can help out.

Lydia and Elizabeth are recruiting for the programs committee. The guild needs a **Programs Coordinator(s)** to start planning for 2022. Could be one person or a group. Choosing programs for the guild is a really fun way to get involved in the guild and learn more about the larger quilting community.

## **Steals and Deals (Melissa Schulman)**

Who wants to come to a Garage Sale!!! Mark your calendars for February 11-13th, 10:00-2:00 each day.

It has been a long time since we have all seen the Steals N Deals items. We have been busy sorting and organizing all the fabric, books, magazines, craft items and more. There are items that have not been out of storage for quite some time. SO everything is new again!

We will open my garage for three days in February. We will have items by category and will be spread out in the garage. Garage doors will be open, so dress accordingly. Let's all be safe and wear mask and distance when possible.

Due to it being February we are also hoping for decent weather for these three days. If by chance the weather does not look promising I will update everyone on Facebook and through email, if we need to cancel or change dates.

My address is 11081 Yosemite Court. It is in the Sandstone Knoll neighborhood. Closest intersection is 116th & Brooks School Road. Any questions, please contact me at [mkdpm@yahoo.com](mailto:mkdpm@yahoo.com) or (317) 507-8386.

Let's find some new items and enjoy seeing each other at a distance.

**“Block of the Month”** (BOM) is a quick and easy way to learn new piecing techniques while contributing to member quilts. Each month, the BOM Committee selects a unique block pattern which they assemble at home and bring to the guild meeting.

Everyone who wants to participate follows the same free pattern, using random fabrics with specified colorways. The following month, all the blocks are displayed, and a raffle is held to determine who gets to take the blocks home for an instant quilt. If enough members join in the fun, we might have 3-4 beneficiaries of the blocks!
