## President's Letter

Hello dear quilters!

It was a pleasure to see so many of you at the March meeting with our guest speaker, Amy Friend. The way she tells a story with individual blocks is so clever and fun. For instance, she told us she loves the TV series, "Gilmore Girls" and was anxiously awaiting new episodes of the show to air. During that time, she decided to customize her [Rise and Shine Coffee](#) cup pattern with fabrics that told a little bit about the major characters in the show. I found it so amusing that I want to start watching the show now. If you weren't able to attend the meeting, I have included some links below that members shared in the chat during the meeting.

This is the fourth newsletter that I have written as president of the guild and each time I have had a flashback to high school. Here's the scene: It's 1974. My friends and are cruising in the car past the houses of boys we like; boys we used to like; and boys we want to like us. The AM radio is blaring and we are singing along when that song called "When Will I See You Again" by The Three Degrees fills the car. Back to the present: I only remember the intro to the song but it's the title that strikes a chord with me because that is the question on everyone's mind. I'm happy to say the answer is June 14<sup>th</sup> in Holland Park! (Restrictions due to bad weather and CDC guidelines will apply.)

As I've mentioned before, as the president of the guild I receive letters from quilters who need advice. From time to time, I will also get a complaint like the one below from someone with concerns about our guild activities. I assure you the complaints are always unfounded; nevertheless, I try to gently and kindly, assuage their fears.

Dear Ms. Ricciardelli,

While I am not a member of your guild, I learned to quilt by hand at my granny's knee. Imagine my disgust when I saw the announcement for your guild meeting about exotic dancing and bartending classes! How you can take such a wholesome pastime and turn it into something filthy is beyond me.

And your theme for 2021, "Anything Goes," what kind of debauchery is next for you and your band of fabric floozies?  
Signed,  
Nauseated in Noblesville

Dear Nauseated,  
Don't get your shorts in a bundle! You need to ditch granny's scissors and cardboard templates and join the 21<sup>st</sup> century. Let me set you straight right now, our guest speaker will be Gudrun Erla, the designer of the special non-slip Stripology rulers that make cutting fabric strips a breeze. I'll bet granny didn't know that strips of some size have been the building blocks of most quilts since the rotary cutter was invented in 1979. As for Mixology, that's the way Gudrun combines pre-cuts like charm squares, layer cakes and jelly rolls all in one pattern. Get it?

Now, would you please call off the vice squad because their surveillance van is leaving a puddle of oil in my neighbor's driveway and he's not happy. If you can get your mind out of the gutter long enough to join our guild, you may attend our meeting with Gudrun. It starts at **10:30 am** on April 12, and the Zoom link will be available about a week before.

Well, I'm off to play the ponies. My bookie says there's a longshot in the 5<sup>th</sup> and I feel lucky!

Sincerely,  
Ann Ricciardelli

## Community North Quilting Bee

We have been informed that the Community North Hospital Auxiliary will not be able to fund our expenses this year for backs and batting due to their decrease in funds raised last year. All of their fundraising last year and this year will be virtual efforts, thus reducing their overall budget.

I have asked the Board to approve an additional \$1800 to the Community North Quilting Bee and they approved this expense during a recent Zoom Board Meeting. The procedure for reimbursement will be similar. Please complete the Mudsock reimbursement form and provide your original receipt with the items circled for batting or backs. You can turn these in to Diane Dimpfl at our monthly shopping meeting with your completed quilt or mail the same to Diane Dimpfl, 16191 Malbec St., Fishers IN 46037. A check will be mailed to you.

I encourage every member to **"Make Just One Quilt"** and this year I am hoping you can donate two quilts. We distributed all of the quilts last Christmas and have no reserve, so we need your help more than ever to meet our goal of 200 quilts.

**I also encourage you to shop in the store room.** We have fabrics, backing and batting available. Please make a reservation with Diane Dimpfl for a one hour time slot from 10 to 1, the third Monday of each month at Community Health Pavilion, 9669 146<sup>th</sup> Street, Suite 150, Noblesville. We hope to return to sewing in the Community Room sometime in the 2<sup>nd</sup> half of this year. God bless you as you sew for this wonderful charity.

Amy does not use steam when she presses her blocks as it may stretch the fabric. She uses a lightweight lightbox from the [Daylight Company](#). She likes [Art Gallery Fabric's Pure Solids](#). Amy's suggestions for easier blocks to start: [Tell me a Story \(from her Book "Intentional Piecing Piecing.\)](#) [Sewing Machine](#), [Storybook Shelf](#), Amy uses plain old copy paper for her paper piecing. She often buys fabric from [Hawthorne Fabric Supplies](#) in New York but recommends that you not buy their "house fabric" that they manufacture. She also buys fabric, especially Japanese prints, from her friend's Etsy store called [Sew Me a Song](#). She usually buys fat quarters of each fabric. There is some waste when fussy cutting but it is worth it to her to end up with a block she loves.

## Other Upcoming Quilting Events

All AQS Quilt Week Shows for 2021 have been cancelled!!

The International Quilt Show in Houston is still planned for October 28, 2021.

## Block of the Month

**"Block of the Month"** (BOM) is a quick and easy way to learn new piecing techniques while contributing to member quilts. Each month, the BOM Committee selects a unique block pattern which they assemble at home and bring to the guild meeting.

Everyone who wants to participate follows the same free pattern, using random fabrics with specified colorways. The following month, all the blocks are displayed, and a raffle is held to determine who gets to take the blocks home for an instant quilt. If enough members join in the fun, we might have 3-4 beneficiaries of the blocks
