## President's Letter

**2022**  
**A NEW YEAR!**  
**Anything is Possible...**

Welcome to a new year in quilting. I am excited to be leading you on this journey of friendship, knowledge and fun. I will try not to lead you too far astray but we will have FUN.

I want to first say thank you to all of you who worked so hard last year to make it a successful year and to all of us who stayed the course and participated in any of the activities. We had a great year. Now I want to invite everyone to please join us for a new year of quilting where we will work on charity quilts, learn new skills, and make new friends. I always say you can't have too many friends. And this guild is loaded with them.

I look forward to seeing you at the **January 10th** meeting back at our wonderful location at **CORNERSTONE LUTHERAN CHURCH**.  
Let's start this year off with a BANG!

It may be a "business" meeting but it will also be fun and a great time to wish everyone a Happy New Year and share with us what you have completed during the holidays. And you never know, maybe a surprise or two.

So please join us for a new year of quilting. I am looking forward to getting to know more of you in this coming year and working with all of you.

Happy Quilting!  
Your new President,  
**Becky Moore**

The five-day event includes live lectures, panels, tours, workshops, and a vendor hall filled with the latest and greatest tools and supplies, and social events.

## Block of the Month

“**Block of the Month**” (BOM) is a quick and easy way to learn new piecing techniques while contributing to member quilts. Each month, the BOM Committee selects a unique block pattern which they assemble at home and bring to the meeting.

Everyone who wants to participate follows the same free pattern, using random fabrics with specified colorways. The following month, all the blocks are displayed, and a raffle is held to determine who gets to take the blocks home for an instant quilt. If enough members join in the fun, we might have 3-4 beneficiaries of the blocks.

At the December Guild Meeting the BOM committee presented the finished Snow Globe blocks and drew 6 winners. Congratulations to Ellen H, April S, Linda G, Linda W, Sally S and Chris B. Mary Boyden presented the block for January, a darling Mitten and optional Snow Ball.

For detailed information about the December BOM, go to the Mudsock website at [www.mudsockquiltersguild.org](http://www.mudsockquiltersguild.org) . UNFINISHED BLOCK: Size 10” x 10”, your choice of colors.
