Sewing Instructions

The Eyes:

Create two eyes by layering Black and White N squares, mark on diagonal and sewing 1/4 on each side of diagonal

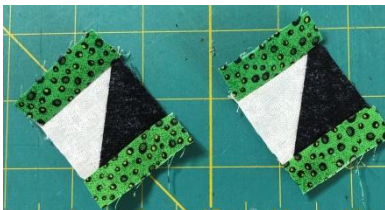

Cut on diagonal, press to black

Trim to 1 1/2" square (hint - keep the diagonal line on your ruler's diagonal)

Attach the K sections to opposite sides of each eye

Attach the L sections to the remaining sides

each should be a 2" square

Attach 2 Green J triangles to the bottom of the eyes

Attach 2 Blue J triangles to the top of the eyes

hint: use the lines on your cutting mat to line up the point of the triangle

in the center

Trim to 2 3/4" square

Sew the O Green piece (bottom) to the O Blue piece (top)

Assemble the eye sections to the O pieces (in the middle)

Frog body:

Assemble the Green I fabric to the bottom of the eye section

Attach the Blue F section to the bottom of the I section

Legs:

Attach one Blue C fabric to one Green C fabric with the Green on the right

Attach one Blue C fabric to one Green C fabric with the Green on the left

Attach D and H fabrics together (mirrored again)

Attach one B to each of the two C sections

Attach the DH sections to the bottom of the C sections

Attach G sections to bottom of DH sections

Assemble the middle body/eyes in the middle of the leg sections

Attach A fabric to the top above the eyes.

Don't forget to sew on a smile!
