## President's Letter

Spring has sprung! But I still feel a chill in the air some days. However the daffodils are blooming and on these rainy days they look like a bit of sunshine popping up to give us hope of warmer days ahead.

That's what our "Hearts of Hope" blocks look like to me. A bit of bright sunshine with a pretty blue sky for the people of Ukraine. These blocks are really easy and fun to make. With that said, after the sewing group today I was the one to make a couple of mistakes. So I go with this saying that I read, **"There are no mistakes, just opportunities to explore more options, to grow and stretch your creative muscles, and to make quilts that are uniquely you and tell your story."**

Please feel free to join us on Monday April 18 & 25, 9:30-3:00 at Delaware Township. It's not too late to join in the fun whether it's for a couple of hours or to spend the day with us. There is still lots of fabric you can use. We would love to have you join us. It's a great way to meet some fun ladies and getting to know more members of Mudsock.

Our speaker, Catherine Redford, should be another interesting speaker this month. You won't want to miss her. I wish I could join the workshop, because who doesn't want to learn more about free motion quilting.

Please check out the other activities that are here in the newsletter and on our website.

**Everything is possible!**

## April 11<sup>th</sup> -- Mudsock Quilters Guild Meeting (9:30–11:30)

April Meeting - Catherine Redford - 'What I Learned While Quilting' and Trunk Show

Catherine was born and raised in northwest England and learned to knit and sew at an early age. But she only started quilting in the late 1990's when she and her family relocated to Naperville, IL and within 5 years was teaching at a local shop in Lisle, IL. This then evolved into teaching and speaking at guilds around the country, as well as actively participating in her local quilt guild. Catherine was also featured several times on the recent season of Quilting Arts on the PBS channel.

In her own words, 'I believe we all have an innate need to create in some sphere of our lives, being made in the image of a creator God. Quilting is my outlet of choice. I share my love of quilting as an inspiration to others. I have found that as I pass on the knowledge I have gained on my journey I learn more tips and techniques that take me still further.'

Catherine is teaching a workshop on Free Motion Quilting on the afternoon of April 11, **1:00-5:00** (note time change) at Delaware Township. There is just one spot remaining for this workshop (as we go to press!). Contact Jayne Gates at [jayne.gates@gmail.com](mailto:jayne.gates@gmail.com) if you are interested in this workshop. 1:00-5:00

## Block of the Month

“**Block of the Month**” (BOM) is a quick and easy way to learn new piecing techniques while contributing to member quilts. Each month, the BOM Committee selects a unique block pattern which they assemble at home and bring to the meeting.

Everyone who wants to participate follows the same free pattern, using random fabrics with specified colorways. The following month, all the blocks are displayed, and a raffle is held to determine who gets to take the blocks home for an instant quilt. If enough members join in the fun, we might have 3-4 beneficiaries of the blocks.

For detailed information about the February BOM, **Modern Butterfly**, go to the Mudsock website at [www.mudsockquiltersguild.org](http://www.mudsockquiltersguild.org). Colors: dark, medium and light colors of your choice, background: white or cream. Block size: 9.5” x 10”.
