

Mudsocks Block of the Month

May

Christmas in June

We will be making a fun Christmas Tree Block – Branching Out by Moda

This is a free pattern on the internet at

https://my.modafabrics.com/webfiles/ct_branchingout_qal_blockaweek.pdf

We are making the 8” finished version of this fun block. Use any Christmas fabric for the tree, the trunk should be brown and the background white or white-on-white.
