## President's Letter

Happy 4th of July! Hope you are all having a wonderful celebration.

I am looking forward to family picnics and fireworks in the park. It also reminds me of Alice Whittaker's Christmas gifts to her daughters and their family of a wonderfully fun red, white, and blue picnic quilt for those special celebrations and picnics. It is such a heartfelt gift, I would love to follow her lead. But wait, I am concentrating on finishing up old projects on my never ending list and not start too many new ones. This may have to wait for another year (or two). I just need to get motivated, sit down and sew.

The meetings have been very well attended and I hope you are all enjoying them. We have had some great speakers and fun workshops, thanks to the great planning of our program chairs.

Plans for our September retreat in Shipshewana are coming along. It should be a lot of fun again this year. Watch for more announcements and please volunteer to help wherever you can.

We are hoping to start the "Meet and Greet" for newer members back up in August so watch for that date and sign-ups coming soon.

There is always lots of great info in the newsletter so I'll let you read on.

I'm looking forward to seeing everyone at our next guild meeting on Monday July 11 at 9:30.

Wendy Paskus will be joining us for a presentation at our meeting on fabric dyeing. Later that day we have a workshop planned where participants will learn (hands on) how to dye fabric. (For those already signed up, Vickie has sent a note with details.) There are still a few spots left in the workshop (fee is \$20 to MQG, and there is a \$55 fee due to Wendy at the workshop to cover the cost of the dye, fabric, and supplies (10 yd)). Contact Jayne Gates ([jayne.gates@gmail.com](mailto:jayne.gates@gmail.com)) if you would like to sign up.

Also starting in July (and each month for the rest of the year), those that are participating in the Secret Santa Sister, should be planning to bring a small gift (\$5-\$10) to our meeting. There will be a table set up for these gifts to be left (and picked up by the recipients). Remember to put your RECIPIENT'S NAME (not yours - it's a secret!) on a tag on the gift that you bring!

## Block of the Month

“**Block of the Month**” (BOM) is a quick and easy way to learn new piecing techniques while contributing to member quilts. Each month, the BOM Committee selects a unique block pattern which they assemble at home and bring to the meeting.

Everyone who wants to participate follows the same free pattern, using random fabrics with specified colorways. The following month, all the blocks are displayed, and a raffle is held to determine who gets to take the blocks home for an instant quilt. If enough members join in the fun, we might have 3-4 beneficiaries of the blocks.

For detailed information about the June BOM, **We All Scream**, go to the Mudsock website at [www.mudsockquiltersguild.org](http://www.mudsockquiltersguild.org) . This block is a large ice cream cone that finishes at 16" × 20–24". Colors: white background, bright colors for scoops, and tan or brown for the cone.

**Co-Chair – Sharon Jones**
