President's Letter

It's June, and we thought summer would never get here. Yes, I know it's really only spring (at least for another couple weeks) but these warm days and cool nights remind me of summer in San Diego!! Lovely!

Of course, the warmer weather makes me feel like enjoying ice cream. And wouldn't you know it, I was standing in line to buy ice cream and the lady in front of me said, "Do you belong to that quilt group that went on a bus trip to Hamilton, MO. I said, "Yes, we went to Missouri Star Quilt Co". She replied, "That was so much fun. I hope to go again soon. My friend and I have been thinking of joining your group." Of course my reply was, "YES we are a fun group and I hope you join us." You just never know who or where you might run into someone with a love of quilting. I really hope we can plan that bus trip next year. But for this year we are going on our retreat to Shipshewana. I'm sure you will want to jump in and join us for 4 fun filled days in September. I know I do.

But I'm getting ahead of myself. Oh yes, warm weather, ice cream, sunny days, and yes it's June. So of course, we should celebrate Christmas in June. Our programs committee has planned some fun activities for the June meeting so make sure you read their article to learn more about what to bring so you will be ready for our meeting. Don't forget we have a new class starting for mostly beginner quilters called Quilting 101, and we have lots of charity quilting groups you might like to join.

Well, back to quilting, or maybe not. The sun is out so it's onto the Pickleball courts, golf, bocce, grandkids, or maybe just sitting by the pool. Oh, what a life. Hope you are enjoying yours whatever you choose to do.

Don't forget:

Wear your name tag,

BOM (block of the month)

Show and Tell (2 items limit please)

Steals & Deals (cash please)

\$1 donation at check in

This month the church is collecting non-perishable food and hygiene items for homeless and at-risk Vets.

“Always BELIEVE something *Wonderful* is about to Happen!”

See you Monday, June 13 @ 9:30. I try to start on time so come early so you can pick your seat and you won't miss a thing.

Sew keep sewing,

Becky Moore

Block of the Month

"Block of the Month" (BOM) is a quick and easy way to learn new piecing techniques while contributing to member quilts. Each month, the BOM Committee selects a unique block pattern which they assemble at home and bring to the meeting.

Everyone who wants to participate follows the same free pattern, using random fabrics with specified colorways. The following month, all the blocks are displayed, and a raffle is held to determine who gets to take the blocks home for an instant quilt. If enough members join in the fun, we might have 3-4 beneficiaries of the blocks.

MAY '22

For detailed information about the May BOM, **Branching Out**, go to the Mudsock website at www.mudsockquiltersguild.org . Colors: Use any Christmas fabric for the tree, the trunk should be brown and the background white or white-on-white.

Chair – Mary Boyden

Co-Chair – Sharon Jones
