9. Lay out all block pieces as shown. (Use scant 1/4" to sew all remaining seams.)

10. Sew Background b, one leaf unit, and Background c together. Press towards background. Sew Background d, one leaf unit, and Background a together. Press towards background. Sew units to either side of a Stem 1" x 6 1/2" rectangle. Press towards stem. Repeat to make two units.
11. Sew flower unit created in steps 3-6 with a stem unit created in steps 7-9. Press as desired. Repeat to make two.
12. Sew two flowers together (one right side up and one upside down) to create block. Press as desired.
13. Block should measure 12 1/2" x 12 1/2".
