President's Letter

Happy Labor Day!

As I'm writing this I am thinking about our Mudsock's retreat. I am having knee problems and finally got an MRI done last week and it showed I have 2 stress fractures, 2 sprained ligaments, a torn meniscus with a flap floating around to help cause pain, along with tendinitis and arthritis. I was looking forward to going but got news from my Dr that I need to rest it as much as possible while I await a consultation with an orthopedic surgeon. Just a few things but they have caused me to not be able to attend the retreat. I know you will all have a wonderful time.

My mother had her 92nd birthday on Sept 4 and my sister from Washington State came to visit for it. Then my brother from Utah decided, a week before, that he and his 6 adult kids should all come too. It has been a whirlwind 5 days. They ALL go home tomorrow. I love family but 16 people for 5 days is a lot. I'm wishing for normal, but I'm not sure what that is.

My saying for this month is:

Some days are better,

Some days are worse.

Look for the **Blessing**,

Instead of the curse.

Be **positive, stay strong**,

And get enough rest.

You can't do it all,

But **you** can do your best.

Author unknown (at least to me).

Our meeting is on Monday September 12 @ 9:30 I hope to see you all there. Don't forget:
Wear your name tag
BOM (block of the month)
Steals & Deals
\$1 donation for the church
Show and tell (limit 2 items please)

Life is sew far, sew good!

Take time to sew,
Becky Moore, President

September 12th -- Mudsock Quilters Guild Meeting (9:30–11:30) Cornerstone Lutheran Church

Lisa Stantz from the **Unraveled Quilt Shop** in Spencer, IN will be joining us at our guild meeting for a presentation on 'Becoming Unraveled'. Several in the guild have been to Lisa's shop and have positive comments so I'm hoping all can join us for this presentation.

In the afternoon, 1-5 pm, Lisa will be conducting a workshop for guild members on foundation paper piecing. She will be using a pattern from a modern quilt she designed. The workshop will be held in the Community Room at the Community Health Pavilion (southwest corner of 146th St and Cumberland Road). The fee for this workshop is \$30 which includes the kit fee. There are still spaces available so if you are interested, please contact Vickie Smith at vickie@quiltingbyvickie.com. Vickie will be sending out a reminder along with a supply list in the near future (there are no unique supplies required other than what you would normally take to sewing day/workshop). (As an editorial plug, if you are at all interested in designing your own quilts, foundation paper piecing is a valuable tool. This is not an 'old-fashioned method' - speaking from experience!)

On October 10, 2022, **Alice Ridge** will be joining us for a presentation called 'Going in Circles', featuring quilts with curved piecing. In the afternoon, 1-5 pm, Alice will be teaching a workshop on curved piecing. This workshop will be at the same location as the September workshop as noted above. workshop, please contact Vickie Smith, or sign up at the September guild meeting if there is still room.

A reminder as well, that for those that signed up to be a 'Secret Santa Sister' back in June at our Christmas in June program, please bring a gift for your assigned sister each month (\$5-\$10 recommended). There are a couple of 'sisters' who are feeling like they may receive a piece of coal come December as they've not yet received a gift from their secret sister. As well, there are a few that have not picked up gifts from July/Aug. Please contact Vickie Smith if you have questions about details. We hope everyone is having fun with this program!

See you in September!

Mudsock Quilt Show

The Mudsock Quilters Guild will present its annual Quilt Show from 10:00 AM to 3:00 PM on Saturday, November 12th at Cornerstone Lutheran Church, 13450 E 116 th Street, Fishers, Indiana. Members of the Quilting Guild and the Community North Quilting Bee have created more than 200 quilts to donate to in-patients at Community North Hospitals on Christmas morning. During the Quilt Show all charity quilts will be on display.

Early Christmas morning, patients at Community North Hospitals will receive a gift of a quilt from Mudsock volunteers and nurses at Community North. This charity has been a part of Mudsock's Quilters for several years and enjoyed by all who are involved. Our hope is to brighten the day of the patients who remain in the hospital on Christmas.

Admission to the quilt Show is \$5.00 donation. The \$5.00 donations are the main fundraiser for the Charity Quilt program and helps defray some of the expenses of creating the quilts. Additional information is available at: www.mudsockquiltersguild.org or by contacting Linda Westbrook at lswestbro@gmail.com.

Block of the Month

“**Block of the Month**” (BOM) is a quick and easy way to learn new piecing techniques while contributing to member quilts. Each month, the BOM Committee selects a unique block pattern which they assemble at home and bring to the meeting.

Everyone who wants to participate follows the same free pattern, using random fabrics with specified colorways. The following month, all the blocks are displayed, and a raffle is held to determine who gets to take the blocks home for an instant quilt. If enough members join in the fun, we might have 3-4 beneficiaries of the blocks.

For detailed information about the August BOM, **The Chicken Block**, go to the Mudsock website at www.mudsockquiltersguild.org .
