President's Letter

I'm baaaack!!! and boy am I thankful!

I don't know about you, but I am really looking forward to seeing everyone at our November meeting. I have been housebound for far too long and I'm ready for some socializing.

My quilting has been minimal, but I look to all of you, my sisters in quilting, for inspiration as you are all fantastic at providing that. It is especially true with the wonderful show and tell at our meetings.

"You can't use up creativity. The more you use, the more you have." Maya Angelou

Hope everyone has the Guild quilt show marked on their calendars for Saturday, November 12. There will be well over 200 quilts to view, offering tons of inspiration.

Then for December our hospitality committee is working hard on our luncheon meeting. This is always a fun event so read that announcement in this newsletter and note the special start time for the December meeting.

So much is going on and I have missed so much. I am truly thankful for this guild, your support and your friendship.

Tickets are on sale for \$1 each or 6 for \$5. Proceeds help to defray the cost of creating quilts to be gifted to Community patients on Christmas morning. Please contact Kerrie Gallaga if you would like to purchase tickets or if you are able to help sell tickets and need a batch.

The winning raffle ticket will be drawn at our Guild meeting on Monday, December 12th. You do not have to be present to win. Be sure to get your tickets and a chance to win this lovely quilt.

Steals N Deals

There has been a lot going on for Steals N Deals lately!

I have a lot of Thanks to go around for many different aspects for this committee.

Thank you to:

Chris Behme, Sally Sandilands, Linda Garzynski for coming up with the idea to make wonderful items to sell at the Quilt Show Steals N Deals table. I was either gone or preoccupied (moving a child to school in AZ) in July, August and September but these 3 ladies put a lot of time into planning what we would make, pulling fabrics, getting instructions and planning the sewing days. It was so nice to see everyone come out to the sewing days to make just one item (or two or three!).

Thank you to everyone that came out to sew or make an item at home and donated that item. Every item is wonderful.

Garage Sale Thanks. Thank you to the ladies who came out to help organize and price the items before the sale. Thanks to Nancy Frye for helping on Saturday and just hanging out with me. The garage sale went very well. We made over \$1,000 for this sale. Thanks for all the donations.

Quilt Show - As I am getting all the items ready for the sale, I am always blown away at how generous this group is and how wonderfully made the items are that got donated. Thank you!

Speaking of the Quilt Show. If I could get 1 more helper that day for the show times. I have one person to help in the morning, so if I could get one more person to help in the afternoon at the tables. Just for 2 hours in the afternoon. Email or send me a text if you can 1mkdpm@yahoo.com 317 507 8386

One last thing -- We will not be having a Steals N Deals table in December. I will miss that meeting and it will be the holiday party.

Okay maybe one more last thing -- Thank you to everyone who brings items to the meetings for the tables. We have done very well this year at the tables.

Such a wonderful group we have here!

Thank you!

Block of the Month

“**Block of the Month**” (BOM) is a quick and easy way to learn new piecing techniques while contributing to member quilts. Each month, the BOM Committee selects a unique block pattern which they assemble at home and bring to the meeting.

Everyone who wants to participate follows the same free pattern, using random fabrics with specified colorways. The following month, all the blocks are displayed, and a raffle is held to determine who gets to take the blocks home for an instant quilt. If enough members join in the fun, we might have 3-4 beneficiaries of the blocks.

For detailed information about the November BOM, **Falling Leaf Block**, go to the Mudsock website at www.mudsockquiltersguild.org.

Chair – Mary Boyden; Co-Chair – Sharon Jones
