This makes a 12" block!

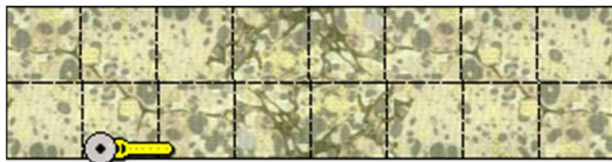

**** Preparing the Pieces and Sewing the Block ****

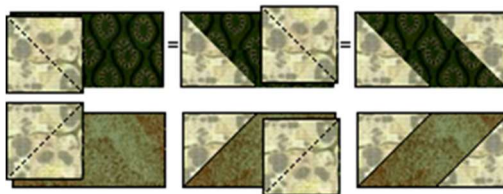

First mark and cut the Color 1
3-1/2" x 26" strip into four 3-1/2" x 6-1/2"
rectangles. **Color suggested: Medium Green.**

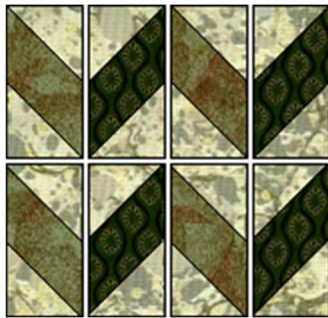

Then mark and cut the Color 2
3-1/2" x 26" strip into four 3-1/2" x 6-1/2"
rectangles. **Color suggested: Darker Green**

Now mark and cut the Color 3
7" x 28" strip into sixteen 3-1/2" squares.
Background color suggested: Off white.

Place a Color 3 3-1/2" square
right sides together against the
left end of a Color 1 rectangle,
with outside edges aligned.
(shown staggered here just so you
can see I am talking about two
separate pieces of fabric.) On the
back of the square draw in the
diagonal in the direction shown at
top left. Sew on this drawn line.
Cut off excess seam allowance
and press remainder towards the
corner. Repeat this with another
Color 3 square on the opposite
end, noting direction of diagonal.
Make four units like this. Make
four more units using Color 2
rectangles, noting direction of
diagonals.

Piece the block as shown at left, using all scant 1/4" seams. Press row seams in alternating directions.

This simple quilt is four blocks by five, with a narrow Color 3 border and Color 1 binding. Happy Quilting!
