

Mudsock Charity Quilt Donations

Prepared: January 2026

The Guild remains committed to supporting charities with our beautiful quilts.

As we head into 2026, the Guild is shifting its approach to charity quilt donations. Instead of donating to one primary organization, we'll now support six (6) different charities throughout the year—in addition to continuing our heart pillows, children's charity projects, and Quilts of Valor.

We recently shared communication outlining the updated donation guidelines, and you will be hearing more about our partnered charities as the year progresses. Today, we would like to introduce the first charity for 2026.

January Charity

Our January charity is the Community MD Anderson Cancer Center – North.

We have 20 quilts remaining from the 2025 season after Christmas Day. These quilts, along with any additional quilts collected at our January 2026 meeting, will be donated to Community MD Anderson Cancer Center – North.

Charity Schedule 2026

Do you want your quilt to go to a specific charity?

If you prefer your completed charity quilts to be donated to a specific organization, please plan to turn them in during the month assigned to that charity.

- January – Community MD Anderson Cancer Center – North – Sally Sandilands, point person.
- March – Hope Center Indy, <https://www.hopecenterindy.org/> - Faith based support to at-risk women and girls in the community – Diane Dimpfl, point person.
- May – Hamilton County Coroner – Helping to reduce trauma when identifying deceased loved ones – Sandy Metzger, point person.
- July – Julian Center, <https://www.juliancenter.org/> - Supports victims of domestic violence – Susan Juffers, Laura Anderson, Martha Ross, point members.
- September – Foster Success, <https://fostersuccess.org/> - For children aging out of the foster system – Sue Griffith and Denise Manor, point members
- November – DaySpring – Lynn Hupp, point person
- In addition, we would like to support our local Fire and Police, and the Pediatric Diabetes Foundation, by providing quilts for their annual fundraising efforts. Sally Sandilands is the point person for Fire and Police, and Laurie Farthing is the point person for Pediatric Diabetes.

If you have any questions, please contact Laurie Farthing at lbf2417@mac.com, or any member of the Charity Committee.
